About Inver Surgery:

Inver Surgery is a thriving practice in Larne, Co. Antrim, serving over 5500 patients and growing. Our team includes 3 GP Partners, a Practice Nurse, 2 Practice-based Pharmacists, a Senior Mental Health Practitioner and a skilled administrative team with a Practice Manager and Reception Supervisor.

We collaborate closely with the local District Nursing Team, Community Midwives, Public Health Nurses, Health Visitors, and Nursing Homes. As a proud training practice, we host trainees and medical students from Queen's University Belfast. We share our premises with two other practices, fostering a collaborative environment with shared educational activities, coffee breaks, and lunchtime meetings.

We provide General Medical Services (GMS) and a range of enhanced services. Our practice recently completed an extension to incorporate a multi-disciplinary team.

Join our committed team at Inver Surgery and contribute to our mission of providing exceptional healthcare to our community.
